

Avery Lin

林知遥

PRODUCT & EXPERIENCE DESIGNER

I turn complex services into calm, useful experiences. My practice connects careful research, thoughtful interfaces, and stories that make people feel welcome.

EDUCATION 教育

Lanwan Institute of Design & Technology

MDes, Experience Design
2024 - 2026

Mossfield Arts College

BA, Interaction Design
2020 - 2024

PRACTICE 方法

Qualitative research
Service & journey mapping
Interaction design
Design systems
Prototyping & storytelling
Inclusive design

TOOLS 工具

Figma / FigJam
Framer / Adobe CC
HTML & CSS foundations

EXPERIENCE 经历

Lumen Lab

Product Design Intern | 2025 - 2026

Explored simpler service journeys with a small product team. Translated research themes into interface flows, reusable components, and interactive prototypes.

Mora Studio

Research Intern | 2024

Supported interviews and synthesis for everyday digital experiences. Made workshop materials and clear visual stories to guide design conversations.

SELECTED CONCEPTS 概念项目

01 Northstar**CAMPUS SERVICES / PRODUCT DESIGN**

A welcoming campus service hub with a clear request flow, visible status updates, and human support.

02 Still**GENTLE HABITS / INTERACTION DESIGN**

A quieter habit companion that makes room for small rituals, flexible goals, and reflection without pressure.

03 Field Notes**EXHIBITION / EXPERIENCE DESIGN**

A three-part exhibition concept about attention and connection, told through spatial cues and participation.

FICTIONAL DEMO - NOT A REAL PERSON

All names, schools, roles, projects, dates, and other details are invented for demonstration.
